## CONSTRUCTION NOTIFICATION

Gores Construction Inc. will be starting the repairs to your buildings on **Monday, August 26, 2019**. Below are items to be aware of as the Project begins:

- Gores Construction will begin Mobilization on Monday August 26, 2019.
  - Scaffolding will begin on Tuesday, August 27, 2019 and will take two weeks to complete.
- Project information such as contact information and scheduling will be placed on the Project Board in the common area and online in Procore.
- Our working hours are Monday thru Thursday, 7:30 am – 4:30pm (4 work days)
- **During construction on your building please be aware of the following:**
  - **Residents should remove all items off the decks/patios. This includes all outdoor furniture, plants, barbecues, and any decorations. Any items on the walls or hanging will also need to be removed.**
  - **Remove any fragile items such as pictures, paintings and art work from your interior perimeter walls.**
- Please be aware, during the repair process, space will be very limited due to the dumpsters, equipment and material. We will do our best to accommodate your needs at all times. If you have any requests, please ask our Project Manager Kevin.
- Please do not dispose of any household garbage in the dumpster. This dumpster is to be used strictly for construction debris. If you need any help with the disposal of any material, please ask our job supervisor or manager for assistance.
- Please be aware that this is an ongoing construction site for the next few months. We will do our best to pick up all debris and nails from driveways and walkways daily. If you find any nails please help by picking them up and throw them away.
- Project specific notices will be provided on an ongoing basis.
