

Claremont Greens Townhome Association
Resolution #2019-001
Re: Requests for Fair Housing Accommodations/Modifications

At a regular meeting of the Board of Directors held on Aug 6, 2019, the Board unanimously made the following findings:

WHEREAS the Association Secretary, by signing below, attests that pursuant to the Association Bylaws Article 3.5, all Board Members were provided notice of the meeting and a quorum of the Board of Directors was present in person at the meeting in accordance with the Association Bylaws Article 6.3;

WHEREAS from time to time, the Board receives requests from Owners for accommodations or modifications for disabilities;

WHEREAS the Association, as a housing provider, is required to make reasonable accommodations or allow modifications to rules, policies, practices, or services when such accommodations or modifications are necessary to afford an equal opportunity to use and enjoy a dwelling because of a disability (a physical or mental impairment which substantially limits one or more major life activities) in accordance with ORS 659A.145.

WHEREAS the Board finds it in the best interests of the Association to adopt a procedure for Owners wishing to make such requests and to adopt a procedure for the Board's consideration of those requests; and

WHEREAS the Board has authority to adopt rules and regulations governing the conduct of persons and the operation and use of the units and common elements as it may deem necessary or appropriate to assure the peaceful and orderly use and enjoyment of the condominium property in accordance with the Bylaws Article 7.1;

NOW THEREFORE, BE IT RESOLVED that the Board adopts the process set forth herein for accommodation/modification requests and responses thereto:

An Owner wishing to request an accommodation or modification because of disability must submit a request to the Community Manager. The request needs to include the following information:

- A statement that the request is for reasonable accommodation/modification;
- A statement regarding the disability and major life functions that are limited;
- A statement regarding the accommodation/modification that is requested; and

- A statement regarding the relationship between the disability and the requested accommodation/modification.

It is preferred that the request be in writing to promote a clear understanding of the request. A form is attached (Attachment A) that may be used to make the request, but the form is not required.

Within 14 days of submission of the request, the Board will acknowledge receipt and advise in writing whether Medical Verification is required. If the Board requests Medical Verification, the Owner will be asked to have the attached Verification Form (Attachment B) completed by a Qualified Individual (as defined on the Form). An Owner may choose to submit the Verification Form with the original request instead of waiting for a request from the Board.

Upon receipt of the Medical Verification, or if no Medical Verification is requested, the Board will consider the request at the next Board Meeting, but in no event shall consideration be more than 30 days from either the initial request or receipt of the Medical Verification, whichever is later.

In reviewing the request, the Board will consider the following factors:

- Whether the requesting Owner meets the definition of a person with a disability under ORS 659A.104;
- Whether the information presented shows a connection between the disability and the accommodation/modification requested;
- Whether the accommodation/modification requested is reasonable;
- Whether the accommodation/modification will cause an undue financial or administrative burden on the Association;
- Whether the accommodation/modification would change the fundamental nature of the functioning of the Association; and
- Other information provided that relates to the factors listed above.

The Board will send written notice of its decision within 7 days of the meeting. The decision may be an approval, an approval with conditions, or a denial.

If an Owner wishes to appeal a decision of the Board, the Owner must submit a request for a hearing within 10 days of the notice of decision.

All information relating to the request will be kept confidential and any hearing relating to the request will be held in Executive Session.

This Resolution shall be delivered to all Owners of record.

Dated this 6 day of August, 2019.
